The 2013-14 Publications, Presentations and Collaborations

The George Institute for Global Health ABN 90 085 953 331. We are a registered charity in Australia and the United Kingdom. George Clinical Pty Ltd ABN 33 098 184 528. Some documents may be printed in more than one region.

The George Institute for Global Health is a global, not-for-profit medical research organisation, affiliated with leading academic partners, with major centres in Australia, China, India and the United Kingdom.

Our mission is to improve the health of millions of people worldwide.

Our affiliations

Clements A, Curtis K, Horvat L, Shaban RZ. The effect of a nurse team leader on communication...

varies between subdisciplines of physiotherapy.

Cannulation and clinical outcomes in a home network in nephrology: experience of the Australasian

Risk factors for mortality from colon and rectum

Vascular disease: a key role for modifiable risk factors

Police response time to road crashes in south-east

FCTC and national legislation in eight former Soviet

Inequalities in access to care and outcomes of care: cross-sectional analysis of data from the Canagliflozin

Association between ratio of serum eicosapentaenoic acid to arachidonic acid and risk of cardiovascular disease: the Hisayama Study.

Australia

Ng S, Dunford E. Complexities and opportunities in monitoring and evaluating US and global changes by the food industry. Obesity Reviews. 2013 Nov;14 Suppl 2:29-41.

Conference Presentations

Anderson C. Anticoagulation and haemorrhagic risk: optimising therapy in an individual patient [invited speaker]. Heart and Stroke. New Delhi, India, November 2013.

Anderson C. History of previous intracranial haemorrhage and new onset atrial fibrillation [invited speaker]. Heart and Stroke. New Delhi, India, November 2013.

Anderson C. The ABC of acute haemorrhagic stroke management [invited speaker]. Heart and Stroke. New Delhi, India, November 2013.

Anderson C. Hypertension treatment of acute stroke [plenary speaker]. Annual Taiwan Neurological Society Congress. Taipei, Taiwan, April 2014.

Anderson C. Therapeutic targets for the management of hypertension in acute stroke [invited speaker]. XXIII European Stroke Conference (ESC). Nice, France, May 2014.

Arina H. Effects of intensive blood pressure lowering according to baseline blood pressure levels and analysis of optimal achieved post-randomization blood pressure in acute intracerebral haemorrhage: INTERACT2 [poster]. XXIII European Stroke Conference (ESC). Nice, France, May 2014.

Arina H. The Head Position in acute Stroke Trial (HeadPoST): background and rationale. XXIII European Stroke Conference (ESC). Nice, France, May 2014.

Buchbinder R, Hinman R, Maher C. Everything you wanted to know about Cochrane reviews but were afraid to ask. American Physical Therapy Association Combined Sections Meeting. Las Vegas, USA, February 2014.

Chow C. Environmental determinants of CVD risk factors. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Coorey G. The use of journey mapping and persona creation to inform design of an e-health strategy to support cardiovascular disease prevention. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.
Taiwan, October 2013.

globally [invited speaker] Symposia on sodium of processed foods to improve the global food supply. The International Union of Nutritional Sciences 20th Congress on Food Safety. Taipei, Taiwan, October 2013.

Dunford E. Monitoring the nutritional composition of foods to improve the food supply and reduce chronic disease burden in the Americas. 10th International Food Data Conference. Granada, Spain, September 2013.

Dunford E. Monitoring the nutritional composition of processed foods to improve the global food supply [invited speaker]. 3rd Asia Pacific International Conference on Food Safety. Taipei, Taiwan, October 2013.

Dunford E. Improving the food supply through product reformulation [invited speaker]. 3rd Asia Pacific International Conference on Food Safety. Taipei, Taiwan, October 2013.

Finfer S. HES should not be used outside RCTs. 34th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2014.

Finfer S. Glycemic control in critical care. 5º Simpósio Internacional de Medicina Intensiva (5th International Symposium on Intensive Care Medicine). Sao Paulo, Brazil, April 2014.

Finfer S. Resuscitation fluids: which fluids are safe? 5º Simpósio Internacional de Medicina Intensiva (5th International Symposium on Intensive Care Medicine). Sao Paulo, Brazil, April 2014.

Hackett M. Pathogenesis, prevention and treatment of poststroke depression: where we are and where to go [invited keynote]. KOSMOS Workshop. Berlin, Germany, September 2013.

Hackett M. The validation of a depression screening tool for use with Aboriginal and Torres Strait Islander Australians [invited platform]. POCHRE Centre for Aboriginal Health Research Symposium. Sydney, Australia, September 2013.

Hackett M. Chronic psychological stress and cardiovascular disease [symposium chair]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Huang LP. Can spot urine be used to monitor population salt intake? A systematic review comparing 24-hour urine and spot urine [Session: Public Health and Pharmacoeconomics]. Joint Meeting of the European Society of Hypertension (ESH) and International Society of Hypertension (ISH). Athens, Greece, June 2014.

Huang LP, Crino M. Can spot urine be used to replace 24-hour urine for monitoring population salt intake? [poster]. Joint Meeting of the European Society of Hypertension (ESH) and International Society of Hypertension (ISH) 2014. Athens, Greece, June 2014.

Jenkins C. Predictors for evaluating responses to ICS and the role of ICS in future COPD treatment algorithm. ICS Advisory Board. San Diego, USA, May 2014.

Maher C. Interpretation and clinical application of the research for diagnosis and treatment based classification of back pain. American Physical Therapy Association Combined Sections Meeting. Las Vegas, United States, February 2014.

Maher C. Low back pain [invited speaker]. Exercise as treatment for chronic disease – what is the evidence? Bond University, Gold Coast, Australia, May 2014.

Myburgh J. In the wake of CHEST: Evidence-Based Perioperative Medicine (EBPOM) Regional Meeting. London, United Kingdom, March 2014.

Neal B. Salt and hypertension [invited speaker]. 2013 International Symposium on Cardiovascular Disease Prevention, Challenges and Opportunities. Seoul, South Korea, July 2013.

Neal B. Salt and hypertension [invited speaker]. 2013 International Symposium on Cardiovascular Disease Prevention, Challenges and Opportunities. Seoul, South Korea, July 2013.

Neal B. Salt – evidence for action or inaction [invited speaker]. Concord Repatriation General Hospital Department of Endocrinology and Metabolism Seminar. Sydney, Australia, August 2013.

Neal B. Scientific background of salt reduction [invited panel member]. International Advisory Panel (IAP) on Reduction of Dietary Sodium and Sugars Meeting. Hong Kong, May 2014.

Neal B. Session: Best of Clinical Trials. China Rural Health Initiative — Sodium Reduction Study: the effects of a community-based sodium reduction program on 24-hour urinary sodium and blood pressure in rural China [invited speaker]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Neal B. Session: Debates in CVD prevention and treatment. Debate topic: The current guidelines to reduce sodium to <2300mg is justifiable and feasible [invited speaker]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Neal B. Session: The role of non-pharmacological interventions; tailoring therapy by region and ethnicity. Strategies to facilitate blood pressure control [invited speaker]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Neubeck L. Screening education and recognition by primary care physician of atrial fibrillation to prevent stroke (SEARCH-AFStroke Prevention Study) and the role of general practice receptionists [poster]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Perkovic V. Update in hypertension. Australian and New Zealand Society of Nephrology 49th Annual Scientific Meeting, Nephrology and Transplantation Update Course. Brisbane, Australia, September 2013.

Perkovic V. BP management - time for evolution or revolution? [invited lecture]. Nagoa University, Nagoa, Japan, February 2014.

Perkovic V. Clinical trials in diabetic nephropathy [invited lecture]. Kanazawa University Hospital, Kanazawa, Japan, February 2014.

Perkovic V. Hypertension management: what are the decision points? [invited speaker]. 2nd 4 Corners of Cardiology Meeting. Melbourne, Australia, February 2014.

Perkovic V. Clinical trials networks and international collaboration [invited speaker]. Australian Clinical Trials Alliance Summit. Melbourne, Australia, March 2014.

Perkovic V. Approach to partnership - academia, pharma, and governmental organization in developed
and developing countries, message from Australia [invited speaker]. International Society of Nephrology (ISN) Nexus Symposium. Bergamo, Italy, April 2014.

Webster J. Meeting the WHO targets for salt reduction [invited speaker]. Warwick University Medical School. Coventry, United Kingdom, August 2013.

Webster J. Establishing regional targets for salt levels in foods [invited keynote speaker]. Pacific Island Noncommunicable Disease Forum. Auckland, New Zealand, September 2013.

Webster J. Monitoring the food supply [invited speaker]. Metrople University Forum on Health Food Baskets. Copenhagen, Denmark, March 2014.

Webster J. The case for state action on salt [invited guest speaker]. Board of the Victoria Health Promotion Foundation. Melbourne, Australia, April 2014.

Webster J. Food reformulation - a wonder drug? The potential, practice and principles of effective food reformulation strategies [invited plenary speaker]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Wong MG. The impact of renal function at the start of dialysis at the IDEAL trial [invited speaker]. Asia Pacific Congress of Nephrology. Tokyo, Japan, May 2014.

PeerReviewed Journal Articles

Conference Proceedings/Abstracts

Conference Presentations

Li C. An epidemiological survey on lifestyle risk factors for individuals at high cardiovascular risk in rural Tibet, China. The 8th World Alliance for Risk Factor Surveillance (WARFS) Global Conference. Beijing, China, October 2013.

Luo R. Introduction on “A randomized controlled trial on rehabilitation through caregiver-delivered nurse-organized service program for disabled stroke patients in rural China (the RECOVER trial)”. 2013 Forum on International Collaborations and Exchanges: NCD Research at The George Institute for Global Health at Peking University Health Science Center. Beijing, China, October 2013.

Tian M. A cluster-randomised controlled trial of a simplified high cardiovascular risk management program in rural Tibet, China. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Tian M. mHealth in cardiovascular disease management in China [invited speaker]. World Congress of Cardiology (WCC). Melbourne, Australia, May 2014.

Wu Y. Building research capacities for high quality clinical research at academic institutions: experiences from Peking University Clinical Research Institute. Simo-Dutch Seminar on Health Care. Beijing, China, September 2013.

Wu Y. Primary prevention of NCD. Combating NCD in Low & Middle Income Countries. Imperial College London, United Kingdom, October 2013.

Wu Y. Building up the clinical research system, promoting clinical research development. The 15th National Medical Research Management Annual Conference of Chinese Medical Association. Zhengzhou, China, April 2014.

15 years of big change!

- From 5 to 450 staff globally
- Over 5,200 publications
- Projects in over 50 countries
- Centres in Australia, China, India and the United Kingdom and offices across Asia-Pacific
- Partnerships with over a 1,000 universities, hospitals, medical centres and organisations
- Raised over $500 million for health and medical research
- Ranked among the top 10 research institutions in the world for scientific impact, 2011, 2012, 2013 & 2014
- Research that is changing policy and practice
- Unique funding model assisted by our commercial enterprises
- Research spanning the chronic disease and injury landscape
